\*\*Rates may increase or decrease depending on size and difficulty of site. Please contact me for an official estimate.

- Envision what you want your site to look like and how you want it to function. Research to gain ideas about the latest web design, technology and communication concepts by looking at competitor sites. Submit examples or ideas to me.
- Outline of website should be submitted, including a list of pages to be built.
- Page content should be submitted in a WORD document that includes all needed information. Images or PDF's should be attached to the email separately and their titles should be clearly labeled in the WORD document with directions for page location.
